

(in-game render)

Candy (Bulk Bot)

Accent Reference: https://www.youtube.com/watch?v=kCYP_ZWZzwA

Each bullet point below represents an audio sample that may or may not be used in conjuction with other samples.
Blue text represents the character's voice lines.
Purple text is a description of a sound that the character makes.
Orange text provides context, and should otherwise be ignored.

Customization VA

Players can customize the appearce of the character slightly, and these lines are used as realtime reactions to the changes.

Negative

- Well you're no fun.
- <annoyed> Heeeey!
- <disappointment> Awww!

Positive

- That's more like it.
- Mmhmmm!
- <intrigued> Ooooooohh!
- (giggles) I think you just quadrupled my net worth!

Normal VA

- <elated> It's Candy baby!
- <seductive> It's Candy, baby.
- Anyone around?
- Left a girl all alone did ya?

Workout VA

These lines are used during workout segments where the character lifts weights; and the heavier the weights are, the more strained the character becomes.
Most of these lines are just sounds, so improvisation is encouraged.
What's important is providing variety and satisfying the target durations.

Straining (low effort)
Duration per sample: 1 second

- Rrrgh...

Straining (moderate effort)
Duration per sample: 2 seconds

- Hrrrrmmm...

Straining (high effort)
Duration per sample: 3 seconds

- Gggrrrrrruuuuaaaahh!

Grunts

- Aahgh!
- Hnnngh!

Groans

- Ughh...
- <straining> So... heavy!

Flexing

- (satisfied chuckle)
- Who said robots can't get ripped?!
- A whole new -*Hnnngh!* <flexes> ...level!

Roid Rage VA

Voice becomes more intense and unhinged

- <freak out> It's... not... ENOUGH! I need MORE! MOOORRREEE!!!
- A mechanized monstrosity of muscle and malice!
